## **Grant Process Announcement 2019**

*Grant Application Deadlines: March 15 & September 16*

### **Letter from the President of the Gordon Elwood Foundation:**

Dear Community Partners,

Please click on **Grant Application on the Grant Application Process** page to start your application or to return to the application writing process. The on-line format allows you to return to the application for editing until it is submitted.

We respect the time it takes to write a proposal and for that reason we are continuing to request that each organization interested in applying for funding contact Kathy Bryon, executive director, before filling out the online application. We are very interested in keeping abreast of service delivery needs and innovations throughout our region, while not wasting the valuable time of non-profit staff and volunteers who are responsible for this task.

Please note that the Foundation's Grants Committee will only review grant applications from non-profit organizations that have spoken to Kathy by phone or in person before submitting the application.

The preferred timeframe to contact Kathy is three weeks to two months prior to the grant application deadline. You can contact Kathy to discuss your grant proposal idea at 541-282-0643 or e-mail her to set up a call appointment at [kathy@gordonelwoodfoundation.org](mailto:kathy@gordonelwoodfoundation.org)

We strongly encourage you to call early and not wait until the last week before the deadline because we generally accept only 20-25 proposals each session.

Very sincerely yours,

Julia Beattie  
President, Board of Directors
