

# EMERGENCY CHILD CARE

THE SOUTHERN OREGON YMCA'S ARE PROVIDING EMERGENCY CHILD CARE FOR MEDICAL PERSONNEL, HEALTHCARE WORKERS, FIRST RESPONDERS, ESSENTIAL PERSONNEL, AND VULNERABLE POPULATIONS.

The Emergency Child Care Plan is operated by the YMCAs and was developed in conjunction with school districts and medical organizations. All sites will be using current COVID-19 (coronavirus) mitigation measures. This plan is not designed for families seeking traditional child care programs.

- Participants are only allowed to attend a site that is within their home school district.
- Snacks and lunches will be provided by the school district's nutrition program.
- This is currently available Monday to Friday but please understand the crisis changes daily and the need to modify this plan may also occur.
